The response received 25 July 2005 has been made of record. Claims 1-24 are pending.

Claims 1, 2, 4-14, 17-21 and 23-24 are rejected under 35 U.S.C. 103(a) as being unpatentable over JP '235 translation.

This rejection is maintained substantially as set forth in the previous office action.

Applicants' arguments in traversal assume the claims to be limited to "pressed bodies... obtained by...". No such limitation is found in the claims. The pressed bodies are claimed to be "obtainable by..."

Claims 3, 15, 16 and 22 are objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
